# **ATTENDANCE & EXPECTATIONS**

Cheerleading requires full commitment from athletes, parents and coaches as good attendance is vital for the success of all teams. Due to the nature of the sport, a team relies on all athletes for all aspects of cheerleading. It is crucial that our competitive team athletes attend ALL training sessions and are fully committed to ALL competition and showcase dates.

The following guidelines apply to ALL members of our program:

- ◆ All Athletes **MUST** attend their 'Team training' session in their 2021-2022 Practice wear.
- ◆ Coaches must be made aware of any sessions that will be missed by an athlete with as much prior notice as possible.
- ◆ If an athlete is ill, we request that the athlete still attends and observes the session in case of routine changes. (If an athlete is too unwell to attend the session coaches **MUST** be made aware of this within at least 2 hours before the session).
- ◆ We expect all athletes to arrive to their session at least 5 minutes before to allow time for the teams to get changed, settled and registered. Punctuality is vital for the smooth running of our program.
- ◆ All athletes must attend the last 3 sessions on the lead up to a competition. If an athlete misses one of these sessions they will be replaced on the team for that upcoming competition.
- ◆ An athlete with poor attendance causing disruption within a team will be removed from the team at the coaching staff discretion.

Excused Absences - School Trip/School Event or Grading - Illness which includes fever, contagious infection or vomiting  
- Family Bereavement/Wedding .

Unexcused Absences - Parties or Family Celebrations - Homework or Revision - Vacations/Day Trips outside of School Holidays.

## **2021-2022 MEMBERSHIP**

The Covid 19 Pandemic has had huge financial implications on our athletes and their families. Where possible we will be doing all we can to reduce costs for athletes to make the season more affordable. Oblivion Allstars have managed costings to ensure finances are saved. Ways in which we have kept costs low:

- ◆ Fees - OA have frozen all fees, there will be no increase in fees again this season!
- ◆ Uniforms - Pre Covid we had planned to change our competition uniforms as we do every 3 years, however, with this being a high cost and lack of wear over the previous season due to Covid 19 we have decided to keep our current programme and Worlds uniform the same for the upcoming season, meaning no additional costs.
- ◆ Bows - We will be using the same Bows as received in the 2020-2021 season to ensure no additional costs.
- ◆ Membership - We will be changing our membership stash this season, however the items within the stash will be more limited creating a cheaper membership pack than. (see page 11 for more details)

# 2021-2022 TRAVEL TEAMS

Travel teams are a huge part of our programme and have been for a number of years now. We have been fortunate enough to have been awarded Worlds bids for the past 7 seasons! In addition, we have taken teams to both UCA, and Summit in Orlando, Florida.

We are developing our travel teams to include younger age groups giving them the opportunity to experience competitions overseas.

As the 2020-2021 season was cut short and taken away from us we will be continuing these plans into the new season

Our worlds team 'X' from our Essex location will be heading to the World Championships in April 2022. The X team will select athletes with the highest skill sets to represent the UK at this prestigious event.

Additionally, we will also be taking Stealth also from our Essex location as well as Azure from our Milton Keynes location overseas this season. Stealth & Azure will enter into International divisions in order to compete at Future Cheer, Barcelona in June 2022.

Again there are specific skills that athletes must have in order to be eligible for placement on these team. If you would like to be considered for a travel team and can commit to these please ensure you tick the box on the tryout & evaluation pre registration form.

These trips are not only an amazing opportunity for our athletes to compete overseas against International competition but to enjoy bonding as a team and creating memories which will stick with, not only the athletes but the
